Attachments: Revised Section 6 & 7 Scope of Work, 5 November 2016.pdf

Ron,

We are trying to get this up on our Red Hill website by tomorrow. Hopefully it is not too big to transmit to you via email. I did a cursory review and all the parts seem to be there but we will need to look more closely. We should have a call with DOH early next week to discuss. I will set up a conference call invitation for Tuesday November 15 assuming our country is still functioning next week.
